INTRODUCTION

Masjid, Zakat and Waqf are most important elements in the development of Insan, Social, state, and ummah (nation). These three elements strongly related each other. The roles and significant of these elements should be seen comprehensively and integrally, especially in its relation to the Insan, Social, state, and ummah. The main role of the Masjid is to be centre of daily life for insan and ummah, which leads to improve the understanding of the religion. It will realize through education programme, creating system for zakat's collection and distribution, and controlling waqf and serve ummah in their needs. Thus, the integrational function on Masjid, Zakat and Waqf very important towards strengthen relation and cooperation between these three elements.

Recognizing the importance of Masjid, Zakat, and Waqf in social and nation development, this year, Masjid Al-Azhar, International Islamic University College Selangor (KUIS) and Universiti Malaysia Pahang (UMP) will continue to organize of the international conference on Masjid, Zakat, and Waqf. This conference gives opportunity to discuss, present, and knowledge sharing among the participants, which is related to Masjid, Zakat, and Waqf theoretically and practicaly. This conference also focuses on research and study that include all scientific field and current issues and challenges. * Please refer our website for conference sub-themes.
